

# CPS T SERIES UTILITY COMPRESSORS

## CPS T75

### INDUSTRIAL DIESEL UTILITY AIR COMPRESSOR

#### Technical

Model	CPS T75
Type	Box-Type Skid-Mounted Utility
Air Delivery	75CFM
Normal Effective Working Pressure	7bar(g) @ 100psi(g)

#### Engine

Manufacturer	Kubota
Type	D722
Starting	Electric Start
Fuel	Diesel
Full Load RPM	3400 RPM
Tank Capacity	30 L
Output Rating (kW/m)	14.9

#### Compressor

Type	Single Stage Oil Injected Rotary Screw Air Compressor
Lube Oil Capacity	3 L

#### Controls

Control Panel	Key Start with Engine Protection
Blow Off Valve	Automatic on Shutdown

#### Box Unit Dimensions & Weight

Length	1580mm
Width	740mm
Height	850mm
Weight	488kg

#### Canopy

Canopy	Galvanised Steel Canopy
Noise Level	70dB(A) @ 7m
Frame	Spillage free frame

#### Standard Features

Canopy	Fully Silenced Integrated lifting slots and top hook as standard
Aftercooler	Fitted as Factory Standard
Mounting	Suitable for truck or trailer mounting
Fuel Autonomy	Enough to run a full shift
Weight	Under 750kg
Footprint	At least 10% more compact than other models
Maintenance	Easy to service & long service intervals

#### Other Features

Mounting	Suitable for truck mounting
Options	Quality air options, water separator and multiple points of customisation available
